The Detroit Medical Center (DMC), a member of the Vanguard Healthcare System family, is a leading academic healthcare system with a mission of excellence in clinical care, research and medical education. A comprehensive, integrated medical system that can handle virtually any healthcare need, DMC has more than 2,000 licensed beds, 3,000 affiliate physicians and 12,000 employees. Always a leader in advanced technology and medical techniques, DMC is now investing $850 million with a commitment to build the most advanced medical center in the Midwest.

The DMC is the Leading Detroit Hospital and Largest Health Care Provider in Southeast Michigan, offering internationally recognized doctors, surgeons and physician specialists. The health system operates several Detroit hospitals including: Children's Hospital of Michigan, Detroit Receiving Hospital, Harper University Hospital, Huron Valley-Sinai Hospital, Hutzel Women's Hospital, Rehabilitation Institute of Michigan, Sinai-Grace Hospital and the DMC Surgery Hospital. The DMC and regional health care system delivers excellence in clinical care, healthcare research and medical education. Find America's Top Doctors in Detroit at the DMC, including a great team of expert doctors, top surgeons, and surgical specialists, many ranked as the top doctors in their specialties by local and national medical industry surveys, including Best Doctors, Inc. and more.

In addition to top-ranked physicians, many DMC Hospitals have received American Nurses Credentialing Center (ANCC) Magnet Recognition designated for nursing excellence - Magnet nursing awards are recognized as one of the highest distinctions a hospital can receive.

The DMC utilizes an industry-leading electronic medical records (EMR) system that is in compliance with ISO standards for hospital operations and environmental commitment throughout Metro Detroit. Our successful implementation of the EMR placed DMC in the top percentile of US Hospitals in EMR adoption, using electronic collaboration and document review to a nearly unsurpassed degree, in support of patient safety and care.

- Multispecialty 8 hospital / institute and ambulatory system in metro Detroit
- Facilities range community based hospital to the tertiary care hospital
- Long-standing, respected Detroit institution
- Local and National recognition for our care and services
